

**WANTED  
VOLUNTEERS  
OF ALL AGES  
TO HELP  
SCIENTISTS  
STUDY STORMS**

Measure  
precipitation in  
your own back-  
yard with  
CoCoRaHS!

CoCoRaHS needs your help !  
The Community Collaborative Rain, Hail and Snow Network (CoCoRaHS) needs you! Everyone can participate, both young, old, and in-between. The only requirements are an enthusiasm for watching and reporting weather conditions and a desire to learn more about how weather can affect and impact our lives. Funding for CoCoRaHS provided by: NOAA and NSF  
[www.cocorahs.org](http://www.cocorahs.org)

**CoCoRaHS Training Opportunities**

***Become a Volunteer and Report Precipitation!***

***We are offering four training opportunities to join the network.***

*With the rain storms of September 12-15, it is apparent how important this data is to collect and report. Go online to see CoCoRaHS maps.*
