Conservation Blue Tap	100%	$0 initially - Plant Investment Surcharge will apply	$0 initially - Plant Investment Surcharge will apply	100%		228,000 Gallons[1]	0 Gallons
	$62,500.00			Variable - See above			
Payment of Plant Investment Fee and Distance Fee for Conservation Blue Tap is deferred and will be paid by imposition of surcharge in amount determined by the Board of Directors.							
Restrictions	Only applicable to: 3/4-inch meters; property must have conditional or final approval from legislative body on or before 08/13/2018 and the final plat must be recorded on or before 08/13/2019. If final plat is recorded on or before 08/13/2019, payment of all tap fees must occur on or before 08/13/2023.						
	If Qualified, taps may be used in combination with Conservation Tap (i.e. 50% Water with a Conservation 0 Plant Investment) [1]Gallons may vary depending on qualifying combination						

A tap may be allotted more than 1 unit of Water and/or Plant Investment. In this case the allotment is the class X 228,000 gallons = Annual Allocation. (i.e. Water Allocation 5 x 228,000 = 1,140,000 gallons Annual Allocation)

*Upon Board Approval you may transfer Colorado Big Thompson (C-BT) shares or North Poudre shares to fulfill the water requirement for the tap. Water transfer must be completed prior to tap being activated.

**Meter Set Fee includes installation of meter, pit, and connection to mainline. Fee will vary depending on the need for road bores, line extensions, labor and/or materials. The Letter of Intent will state the exact fee for your property. Subdivisions may have a fixed Meter Set Fee. Please contact the office for details specific to your lot.

Basic Monthly Water Rates: 0 to 6,000 gallons = $24.90 Minimum 6,000 gallons and up = $4.15 Per 1,000 Gal (Kgal)

Allotment: The water and plant investment allotment for a standard tap is 228,000 gallons per year or 70% of 1 Acre Foot. The allotment on your account may vary due to additional purchases, transfers, or possible Plant Investment grandfathering. Please contact our office to discuss your individual account.

Basic Non-Potable Monthly Water Rates: ** $1.50 per Kgal **Applicable Subdivisions Only

The water year runs from your October meter reading to the following meter reading in October.

Surcharge will be assessed when an account's year to date usage exceeds the Water and/or Plant Investment Allotment.

Plant Investment Surcharge will be assessed when an account's year to date usage exceeds the Plant Investment Allotment. The transfer of additional water will not remove this charge. Additional Plant Investment Units must be purchased to increase the allotment and reduce the Plant Investment Surcharges. These rates are in addition to the standard monthly usage fee. Currently, the surcharge is $3.95 per 1,000 gallons (kgal) in addition to the standard monthly usage fee.

Water Surcharge will be assessed when an account's year to date usage exceeds the annual water allotment. Currently, the surcharge is $6.00 per Kgal in addition to the standard monthly usage fee. This fee is to recover the District's cost to obtain additional water rights for delivery.
